

God continues to bless us with his love and faithfulness to our family as we continue to minister at Lake Lundgren Bible Camp. We praise God for providing for us in multiple ways! Thank you for partnering with us over these past twenty-three years! We are blessed!

We are currently at about 80% of our goal. We are seeking and praying for God to supply additional financial support (an additional \$400/month) to meet the needs of our family. We know that many things change in our homes, families, communities, churches, and places of work and understand financial situations also change. Please prayerfully consider partnering with our family and the ministry at Lake Lundgren Bible Camp.

Most importantly, please lift our family up in prayer (refer to the front for specific requests). Please pray that we might be salt and light to those around us—that they might draw closer to God!

Kevin (Assistant Coach), Rebekah (Senior)
Tim (Freshman)

Our paychecks are made possible by financial donors. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel!

I would like to support the Strietzel family at Lake Lundgren Bible Camp.

UPDATE LETTER

July 2024

And my God will meet all your needs according to the riches of his glory in Christ Jesus. To our God and Father be glory for ever and ever. Amen.

Philippians 4:19-20

The months since January have flown by. Although there was very little snow for winter activities, God's word was still proclaimed through weekend retreats at camp. In spring, much time is spent preparing for the upcoming summer season. Summer Staff employees are contacted and confirmed. Volunteer positions start to fill up. Equipment, supplies, maintenance items, and food are ordered to ready camp for a full summer at Lake Lundgren! The theme this summer is "More Than Gold". The theme verse is 1 Peter 1:7 - "These have come so that the proven genuineness of your faith—of greater worth than gold, which perishes even though refined by fire—may result in praise, glory and honor when Jesus Christ is revealed."

Jamie lead a Men's Winter Camping Trip to Copper Harbor, MI, and explored much of the Keweenaw Peninsula. This area offered snow, new sights, and an authentic time with friends together in God's creation. The Service Adventure Trip to New Mexico was a huge blessing, not only to the camp that we helped, but also for each individual who attended this trip. Hours were spent fixing and maintaining mountain trails damaged due to fire and flooding. The group also cleaned out the trout pond and the channel from burned trees which fell into the pond. Summer adventure trips, adventure experiences (short day trips), and day trips for discipleship camps are well under way.

Laura just got back from a three night backpacking trip to Pictured Rocks National Lakeshore in Munising, MI. A group of nine Jr. High girls hiked 17 miles over the course of three days. Although the trip faced challenges of wet gear on night one and thousands of biting sand flies on day two, these girls were positive and encouraging the entire time! What a joy it was to lead this trip. Over the summer months, she continues her part-time secretary position at the public school in Pembine.

Praises & Prayers

- Pray for hearts of the campers to be softened to hear the Gospel message of Jesus Christ dying on the cross for our sins, so that they may have eternal life in Heaven!
- Praise God for his faithfulness of continuing the ministry here at Lake Lundgren by supplying a dedicated staff and hundreds of volunteers to serve year after year.
- Pray for additional supports to come alongside our ministry at Lake Lundgren. We are trusting God to raise approximately \$400/month more than our current monthly rate.
- Praise God for providing clear direction for decisions that needed to be made.

Kevin graduation from NWTC with an Associate's Degree in Business Management. He is on SST (Summer Staff Team) at LLBC and his role is head lifeguard. He is responsible for managing a safe, efficient, and fun waterfront.

I graduated high school at the end of May. I am working at the Pro Shop at Four Seasons Island Resort for my second summer. I am also mowing lawns for a few people and shuttling fly-fishing guides on the Menominee River. I am being intentional with time spent with my family and friends.

This summer I am working part time at a neighboring Christian non-profit organization just down the road. I help with grounds-care. I am looking forward to being a camp at LLBC soon. I may be going on the Mountain Bike Trip. A recent hobby I enjoy is wood carving.

WITH LOVE, Jamie, Laura, Kevin, Rebekah and Timothy
