

MOVING IN

We've mostly moved into our brand-new, little apartment within the bigger Murphy house! Marcus Murphy (the owner and my co-worker) worked harder than anyone to get us in there. Through blood, sweat, tears, and a whole lot of help from volunteers, we got it ready before the wedding! Thank you so much to all of you who came up and helped or donated to the project!!! There's still a number of things to do before we're finished moving in, but God has really blessed the whole project!

MAINTENANCE

A lot of projects needed to happen before camp began, and the maintenance crew was bustling all the way into the first week of camp! My biggest project was running underground electrical feeds for one of our old cabins, Evergreen, and for the new cabin we plan on building soon. I was also running three underground fiber optic cables for our network. We also completed remodeling the Den, dug some huge trenches for underground plumbing work, and prepared Camp for summer. It was a lot of hard work, especially with the house project and wedding at the same time!

This Issue's Joke: Why is Peter Pan always flying?

Because he neverlands

SUPPORT US!

Serving the Lord full-time in a missionary life position means we need to raise support, both here at Lake Lundgren and in Brazil soon enough! I encourage and implore you, please support our ministry through prayer and financial giving! This year we're hoping to raise \$15,000! We are currently at 60% of that goal. Thank you so much to those who have supported us!

Since we are transitioning into a long-term missions lifestyle, we are hoping to build up a base of supporters for our ministry, so that we can continue to serve the Lord in the way He has called us. If you would be willing to support us monthly and share in our ministry, that would be incredible, even something as low as \$10 a month is valuable!

If you'd like to support us with prayer or want more information, please talk to us through our email or phone number below!

If you'd like to support us financially you can send via check to Lake Lundgren Bible Camp N18250 Lake Lane | Pembine, WI 54156. Write the check to Lake Lundgren Bible Camp and specify that you're supporting us in the memo or the slip included.

Alternatively you can give online at llbc.org! It's very easy. Click on the green give button on the top right and fill out the donation form! All donations are tax deductible.

Thank you so much for considering and please don't feel pressured to give, but only what the Lord puts on your heart. God bless you greatly!!!

PRAYER REQUESTS!

- Praise for the wedding and house project success!
- Prayer for our new marriage and for seeking God first in our marriage and for good communication
- Guidance and wisdom moving forward towards being missionaries in Brazil
- Prayer that people would have it in their heart to support our ministry both here and in Brazil in the future
- That we would be bold in sharing the gospel as God has commanded us to do

WILL AND ELENA STRASBURG

UPDATE LETTER SUMMER 2024

Greetings!

Summer is here! And with it, our wedding! This letter is now from Will and Elena Strasburg! To all our friends and families who have supported us, thank you!!! We're so excited to continue serving at Lake Lundgren for another year before transitioning to Brazil.

The Wedding

We had the wedding at Lake Lundgren in the chapel. After the ceremony, there were outdoor games and various activities around camp. At the reception, we enjoyed a camp-favorite meal, soup and salad. People told embarrassing stories about us and sang love songs in order to get us to kiss. Overall, the whole wedding went super well and was a blast!

For our honeymoon, we went to Door County to relax for a few days. We spent a lot of time playing board games, walking on beautiful flower-filled trails, and enjoying no stress of planning or house-building. God blessed our little trip, and we had a wonderful time!
