## UPDATE LETTER

May 2025

And my God will meet all your needs according to the riches of his glory in Christ Jesus. To our God and Father be glory for ever and ever. Amen.

Philippians 4:19-20

It has been a few too many months since our last update - please accept our apology. The 2024 Fall season was filled almost every weekend with onsite retreats and offsite adventure trips. Although there was very little snow for winter activities, God's word was still proclaimed through weekend retreats at camp. In spring, much time is spent preparing for the upcoming summer season. Summer Staff employees are contacted and confirmed. Volunteer positions start to fill up. Equipment, supplies, maintenance items, and food are ordered to ready camp for a full summer at Lake Lundgren! The theme this summer is "Case Closed - Investigating the Evidence of Christ". The theme verse is John 14:10 - "Believe me when I say that I am in the Father and the Father is in me; or at least believe on the evidence of the works themselves."

Jamie lead a Men's Winter Camping Trip near Champion, MI, and explored the McCormick Wilderness Area. This area offered snow, new sights, and an authentic time with friends together in God's creation. Unfortunately, the Service Adventure Trip to New Mexico did not have enough people sign up this year, but we hope to offer it again next spring. Summer adventure trips, adventure experiences (short day trips), and day trips for discipleship camps are right around the corner. The Men's Canada Fishing Trip will kick off the busy summer season for the trip program.

Laura co-hosted the Ladies' Camping Trip on the Menominee River in October. She looks forward to this every year and is refreshed after the weekend. She loves connecting with the veteran ladies as well as meeting new ladies who attend the trip. Laura's basketball coaching responsibilities begin in mid-November and wrap up in mid-February. She has loved pouring into the student/athletes and is greatly encouraged by the growth each season. Over the summer months, she continues her part-time secretary position at the public school in Pembine.

## Praises & Prayers

- Pray for hearts of the campers to be softened to hear the Gospel message of Jesus Christ dying on the cross for our sins, so that they may have eternal life in Heaven!
- Praise God for his faithfulness of continuing the ministry here at Lake Lundgren by supplying a dedicated staff and hundreds of volunteers to serve year after year.
- Praise God for providing additional support for our ministry at Lake Lundgren. He continues to prove his faithfulness and we are blessed!
- Praise God for the campers who have signed up for trips. With the exception of one trip, they all have enough campers signed up!

Kevin worked a few construction jobs from September through January. God provided an opportunity for him to move to Lancaster, PA, to pursue experience in construction management. He has been

there since February and is learning and growing in many areas of life, besides construction knowledge.

Rebekah completed her first year at Michigan Tech in Houghton, MI. She immediately got involved in an active church and has met many friends at InterVarsity Christian Fellowship. She will be on the Summer

Staff Team at Lake Lundgren this summer. She is looking forward to lifeguarding, counseling, and being a trip assistant.

Tim is finishing up his sophomore year of high school. He has adjusted to life at home without siblings. He ran varsity cross country, played JV basketball, and is currently playing varsity

baseball. He just accepted a part-time job at Lake Lundgren as a maintenance helper.

WITH LOVE, Jamie, Laura, Kevin, Rebekah and Timothy

God continues to bless us with his love and faithfulness to our family as we continue to minister at Lake Lundgren Bible Camp. We praise God for providing for us in multiple ways! Thank you for partnering with us over these past twenty-four years! We are blessed!

Our family has gone through many significant changes this past year. Each season offers highs and lows - but we are comforted by God's care for us through it all. Jamie, Laura, and Tim have gradually adjusted to Kevin and Rebekah living away from "home". We are thankful for technology to keep in touch with them frequently.

Please lift our family up in prayer (refer to the front for specific requests). Please pray that we might be salt and light to those around us—that they might draw closer to God!

We celebrated Rebekah's birthday at a Michigan Tech hockey game! Go Huskies!

Our paychecks are made possible by financial donors. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel!

I would like to support the Strietzel family at Lake Lundgren Bible Camp.
