

The Pallex Post

LLBC

May 2026

Hello there,

I hope you have had a good spring! I enjoy winter, but this year's edition of it has made me more excited for warmer weather and fun outside. Since my last letter Lake Lundgren has had extreme weather differences. We had false spring, then got around 3 feet of snow dumped on us, then mud season, then days in the 70s. It's always wild to me that we can go from 3 feet of snow to 79 degree days in under a month.

Camp Updates

Spring in the Kitchen is far quieter than other times of the year. We finished up the last retreats from winter, and although there have been a few interspersed here or there, kitchen work has consisted mostly of revising the current cookbooks in the kitchen. Taking out the recipes we no longer use, adding new ones, and expanding current recipes to fit how camp is growing. Useful and necessary changes, but still a little bit of a slower season. My Canteen duties have also been quiet with the absence of retreats. Currently I am preparing for summer, making decisions regarding what to stock, and how much to buy. One thing I particularly enjoyed was the opportunity to go with the other staff at camp to a Christian camping conference in Lake Geneva. It's fun to get to know all of them in a non-camp/work setting. We also took our Intern trip in early May. We took a road trip to western Wisconsin and Minnesota and got to explore all around there. It was great getting to spend time with my fellow interns before summer comes, and we get to hang out with each other less. I am very excited for summer to come though. I may not play an overt role at camp, but I am excited to see how God will use the staff and myself in His plans.

I am the Food Service Intern at LLBC. I serve primarily in the Kitchen, but also do other tasks to help around Camp. In my free time I enjoy sports, playing video games, hanging out with friends, and driving down backroads.

Personal Update

Spring has also been quiet on a personal front as well. I have enjoyed going on walks in the nicer weather, taken a couple of road trips, and started planting my garden for the summer. Something I could specifically use prayer for is for the opportunities I have after this summer. So far, one path has opened up and seems like the right way to go, and I am fairly certain that is the way I will indeed go, but at times I struggle with feeling 100% on it. I would really appreciate prayer on that.

I'd also like to take some space and specifically thank everyone that has supported me over the past two years here at camp, whether through prayers, encouraging words, or financially. Thank you so much. It means so much to me to know there are people out there who believe that I belong here at camp and are willing to be in my life and support me. I know I cannot express my gratitude enough in letter form, but I very much appreciate you.

I hope you have a great summer!

Praise & Prayer Requests

Prayer for future opportunities I have.

Prayer for the summer ahead and the campers that are coming.

Praise for good weather and good friends to enjoy it with.

Support

Thank you so much to everyone who has supported me financially. I am currently a little over halfway to the goal of \$15,000 for the year. If you didn't know, our paychecks are made possible by financial donors. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel! By your generous donations, you make it possible for us to do the work God has called us to at LLBC. If you're interested in supporting me here at camp, it would be amazing if you would pray for me and Lake Lundgren. If you are interested in financially supporting Lake Lundgren's ministry for the work that I'm doing here, you can go to LLBC.org and click "Support" and find my name. If you would prefer to send a check, please make all checks payable to Lake Lundgren Bible Camp, with a note designating my name. Thank you again for your support.
