

# The Pallex Post

LLBC

August 2025

Hello there,

I hope this letter finds you well!

We have now wrapped up our summer season at Lake Lundgren, and it was a good one. If you remember from my last letter, I was the Head Lifeguard for most of the summer. It was a really good role for me to fill. There were many challenges I faced over the summer, but also much growth as God faithfully brought me through them all.

As I look back over the summer, there are so many good memories I'll cherish for a long time. Although the campers are the primary focus of our summer camps, I had the opportunity to walk alongside many of the Summer Staff and grow with them. Having the opportunity to have deep relationships with them was an especially good gift. I loved being able to walk with them through their personal challenges.

Lifeguarding came with its own challenges though. I had to learn how to be comfortable being the authority over my peers (other lifeguards), give orientations, have an abundance of grace with the campers, and solve problems on the fly. Those, among other things allowed me to grow and rely on the Lord more for my strength.

## Clay Pallex

I am the Food Service Intern at LLBC. I serve primarily in the Kitchen, but also do other tasks to help around Camp. In my free time I enjoy sports, playing video games, hanging out with friends, and driving down backroads.

The last two weeks of the summer I was in the kitchen learning my new role for the fall and this upcoming year, as well as getting to serve in a different capacity. It was challenging, but I can already see that deciding to be here for another year in the kitchen was the right choice. I am excited for the ways God will use to grow me, and draw me near, even though those usually mean going through tough things.

Overall, as I step into the next season of life here, I am filled with His peace, and I am ready to see what is next.

Thank you to everyone that has supported me this year, whether by prayer or by finance or any other way you have throughout it. This next year the goal is still \$15000. It's always daunting to me, but I have faith that if God has me here, He will provide for me.

As always, thank you for taking the time to read this.

In Christ,

Clay Pallex

*Could my tears forever flow, could my zeal no languor know,  
All for sin could not atone, thou must save and thou alone,  
Nothing in my hand I bring, simply to thy cross I cling.

### Praise & Prayer Requests

Prayer that God would prepare me to serve in the Kitchen this year.

Praise for the work that God did in the campers and staff this summer!

### Support

Thank you so much to everyone who has supported me financially. If you didn't know, our paychecks are made possible by financial donors. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel! By your generous donations, you make it possible for us to do the work God has called us to at LLBC. If you're interested in supporting me here at camp, it would be amazing if you would pray for me and Lake Lundgren. If you are interested in financially supporting, you can go to [LLBC.org](http://LLBC.org) and click "Support". If you would prefer to send a check, please make all checks payable to Lake Lundgren Bible Camp, with a note designating my name. Thank you again for your support.
