Camp Update

It's been a whirlwind here at camp the last few months!

From the beginning of summer, the maintenance department has gone from 6 people down to 2 people. However, we added 2 interns this past fall. They both have been a real blessing to us and it is great having the opportunity to mentor and disciple them, but the transition hasn't been without stress. With this major shift in our department, and my colleague and I assuming new roles as Directors, there has been a lot of work. This has included training the new interns, along with learning all the ins and outs of my new role, plus keeping up with the never-ending list of maintenance needs around camp. However, the Lord has blessed though providing us with many volunteers throughout the fall season to help carry some of the load, to which I am grateful. It is always a blessing to spend time with the volunteers and hear how the Lord is working in their lives.

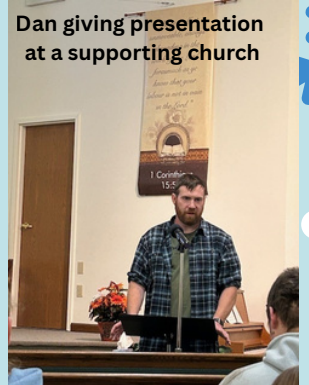

Because of everything happening - we decided to hold back on any major projects, but we were still able to get some notable things completed. One thing was continuing the handicap walkway all the way to the dining hall. Previously it ended just at the top of the hill and left a lot of rocky ground that had to be traversed. We also began adding a new firepit porch swing area beside the walkway that will be a nice place to sit and talk and view the lake.

As part of my new role, I was given the opportunity to oversee the purchase of two new travel trailers for camp. These will be used over the summer for chapel speaker housing, which allows camp to open up an additional cabin for more campers to come and hear God's Word. In the very near future, we are planning on replacing the carpet in the Dining Hall. We will also be doing some remodeling in a camp house to prepare it for another staff family. I covet your prayers as we continue through this transition. First, for me in this new role of leadership and secondly, that the Lord will bring the right people along as we try to grow our team.

Family Life Update

We had a wonderful summer/fall and filled our time with so many fun things!

Since our last newsletter, we were able to visit family in NC. It was a very refreshing time for us!

Azariah was able to enjoy 5-day club with some other camp kids for a week in the summer. He enjoyed learning Bible stories and verses so much!

In the fall, Azariah began Kindergarten and Judson began 4K. They are loving school, and both of them enjoy learning. Mitchell and Donnie also turned 3 years old! They are growing so much in language and personality.

In October, we enjoyed a wonderful visit from Julie's sister. We took the boys Trunk or Treat at a local park, did many crafts, and spent some quality time together.

Azariah turned the big 6 on December 3rd! He is maturing so much, learning to read, and is always the "big brother" to our crew.

Our church moved into a new building so we now have more space as well as more church members! We continue to enjoy, so much, being a part of our young church plant. Dan has joined the security team for church, and he will be working on a few projects with the new building. As a family, we continue to serve in and grow in our GC (Gospel Community small group) - they are such a blessing to our family, and we are so grateful.

We desire to take some time to address our financial support situation. If you have been on the fence about giving towards our ministry, we would love to connect! We are in need of more committed supporters to join us in making it possible for us to stay at Lake Lundgren Bible Camp. Our salary is 100% support raised.

As always, we truly appreciate the dedicated support team who has been faithful in giving the past 4 years we have been in this ministry!

We would not be able to be doing what we are doing without your support. We cannot thank you enough for your prayers, and financial sacrifice to make our ministry possible - and we give God all the glory!

Sincerely in Christ

Camper Quotes!

In what ways did you grow closer to God?

- I've had less distraction then at home, I've had more time to focus on Christ.
- I was able to read the Bible thoroughly and pray with other strong believers.
- Set aside time to commune with God and with my church community. Sessions were amazing.
- Growing closer to other followers of Christ
- I got to spend more time in the bible, and the chapel was amazing, so I got a lot out of it.
