Happy New Year from our family to yours!

As we look forward to what adventures and experiences God has in store for us in this new year, we look back into 2025 and say "Thank you!"

We want to thank each of you for continually lifting our family and Camp up in prayer, and for your faithful financial support.

A recap of the last few months:

## Christmas

We celebrated Christmas with Tim's family. Finding a place large enough for everyone (including 25+ grandkids!) can be tricky, but Lake Lundgren is the place to be!

## Winterfest

Winterfest was awesome despite the unseasonably warm weather leading up to the weekend. God sent 12 inches of snow on the night that over 170+ campers showed up! Praise God!

With a lot of work, we were able to open the tube runs and ski trails. This was the first year that we've been able to run side by side races down Timberslide.

It was a joyful and wild atmosphere with all of Camp participating and cheering!

Tim also had the opportunity to teach a seminar on the topic of Biblical Manhood, and the importance of community.

## Snow Machine

Tim was given the opportunity to teach a class on "Affordable Snow Making" to folks from other camps in Wisconsin. With the success of the snow gun he built last year, Tim was able to do some upgrades to make it better and more efficient for this year.

This addition has proved its worth several times as it allows us to make snow where we need it, when we need it. We love to provide the best outdoor activities that we can for our guests!

## Family Updates:

We apologize for how late this letter is - we are still trying to figure out how to be parents of five growing children, as well as full-time missionaries! With each season comes a million joyful moments, and also many trials. The last few months have been full of both!

I (Ashley) want to thank you for your encouragement to me when I see you in passing at camp, or from texts/cards! I love motherhood so much and I don't think we've ever laughed as much as we do with this houseful of cuties! But wow, it's also exhausting!

We homeschool the oldest three (Olivia - 3<sup>rd</sup>, Jackson - 2<sup>nd</sup>, Jett - 4K). Our most favorite subjects this year are definitely literature, history, and science. I think this has been our most fun year of schooling yet.

Truett (2 ½) and Oakley (10 mo.), spend a lot of time trying to be just like their older siblings. Tru is currently obsessed with trucks, play food, and his ukelele. Oakley has a permanent smile and loves being the center of attention. She enjoys every minute that she gets to be at LLBC - she's a social butterfly!

Oak and her beloved Grammy. They are both sunshine people!

We wondered what Oakley would look like with lots of hair so we found a baby wig!

Jax reading Dr Seuss.

Praise God for good friends who blessed us with their time and skill in helping Tim create a new bedroom for the boys out of the "Man Cave"! After many long nights, and many hours, the boys moved in and are enjoying their own space. They also love their new farmhouse bunk bed from Aunt Julie and Uncle Reid! The fireplace from Pastor Jeremy has also added a cozy touch!

Next month we celebrate Camp's 90<sup>th</sup> year of ministry! We thank God for all He has done and all He continues to do in the lives of the campers, volunteers, and staff!

**Our prayer request for this season is that our financial support would increase. Our family has grown, and so have expenses. Our paychecks are made possible from donations from supporters like you.**

**We are hoping to add ten new monthly supporters at \$100 each. If you are interested in giving a one time gift, or become a monthly/quarterly supporter, please visit [LLBC.org](http://LLBC.org) (then scroll down to "Staff" and click on our name to designate a donation towards our ministry) or mail a check to the address at the top of this letter with the Memo: Tim Lawrence support.**

God bless you!
