

Reetz Family Update

July 2024

We serve as missionary staff at Lake Lundgren Bible Camp in Pembine, WI. LLBC exists to glorify God by continually connecting all to Jesus. Collin is a maintenance technician who welds for camp and oversees the fleet of vehicles and machinery. Liz used to work at camp and now cares for their home and daughter, Millie.

Camp!

We have been in full swing for this summer. We finished up our spring season at camp and had a decent amount of rain. Spring, of course was filled with projects and prep for summer. Collin and the maintenance team had guests picking up sticks around camp during Memorial Day Work Weekend as well as creating a new retaining wall for the flower beds on the big hill. The renovating of the multipurpose ranges was accomplished, as well as a deep cleaning of camp. With the help of John Blum, lots of lumber was also processed for future projects. The den was also remodeled and looks so great! The shingles got taken off of Sugar/Silver Maple cabin and the roof was redone and finished as of May 30. Let's just say the team has been very busy.

Speaking of the team, camp has hired a great bunch of college aged students for our Summer Staff Team. They have done amazing so far the past five weeks. We are so thankful for them and their hard work for the Lord. I (Liz) remember my many summers on SST and it's tough work at times but so rewarding.

Support

As our family is growing, we are looking to raise more support. Thank you to everyone who is already supporting us and praying for us. We're blessed to be able to be part of the ministry at LLBC.

If you would like to support our ministry, whether it be on a monthly or periodical basis, you can donate online at llbc.org or donate by mail, with a check made out to LLBC. Our paychecks are made possible by financial donors. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel!

Millie Willow Milestones...

Family Life

Millie Willow is now five months old. It is crazy how fast time is moving. She loves to flip over and grab at anything near her. She is very active, scooting around on her belly and kicking her feet. Not crawling yet but close to sitting up. Spending time outside is still her favorite thing. If I could describe her in a few words I would say she is smiley, curious and wiggly. Being a little family has it's good days and hard days, but always sprinkled in are beautiful memories that remind us that we are so blessed to be called "Mama and Dada".

This spring we visited our families and started going on dates again. It's been great for our marriage and our friendship as the past season has been hard but good. We also planted a garden in May with various vegetables and flowers. It's going okay and now have an idea how we would do things differently next time. Being at camp has been encouraging, interacting with different staff and guests. Millie gets a LOT of attention too which she loves.

We are looking forward to some family time this summer, traveling to Wisconsin Dells and Door County. I am so thankful for Collin's ability to work at camp and for those who have made that possible, so I can stay home and care for my family. We are so blessed to be cared for and prayed for by many of you. Thank you.

Specific Prayer Requests:

- For God to transform hearts at camp
- For our family as this will be the first summer with Liz at home full time and Collin working 6 day work weeks
- Direction for our family for the future

-Collin, Liz & Millie Reetz
