SERVING AT LAKE LUNDGREN BIBLE CAMP

God At Work: Answered Prayers

God is continuing to use Lake Lundgren Bible Camp in amazing ways. Here is a beautiful story from our Mother Daughter Retreat this Fall. On Saturday night, a mom told me that her daughter gave her life to Jesus! With tears in her eyes, mom explained to me that for the last several years they have been explaining the gospel to their daughter, but every time she decided it wasn't for her. They had been praying for their daughter for so long. During the retreat, a conversation debriefing the chapel session from that night is when it finally clicked, and she gave her life to Jesus.

Another beautiful story is from our Winterfest camp at the end of December. On the first night a snow storm came in. We were expecting freezing rain, a foot of snow, then high winds... the perfect recipe for a power outage (we have experienced this before). Our staff met to devise a plan on what we would do when the power went out... the cabins wouldn't have heat, and we would probably need to send campers home after less than 24 hours of their arrival.

Well the storm passed and the wind came through. The power at camp flickered a few times and a couple of staff lost power at their houses, but the power at Camp stayed on! God had a plan to keep the kids here so they would grow in their relationship with Him, and He would be glorified. God is working at Lake Lundgren Bible Camp in so many amazing ways!

WHO WE ARE

Hi! My name is Haley Kuntze. We are on Missionary Staff at Lake Lundgren Bible Camp in Pembine, WI. As a Program Coordinator, I work on general program planning and oversee Women's Ministry, Social Media, Camp Store, Discipleship Camps, etc. My husband, Brian, is an electrician in the Marinette/Menominee area. Though he isn't employed by camp, he serves with me to accomplish LLBC's mission: "Lake Lundgren Bible Camp exists to glorify God by continually connecting all to Jesus."

Exciting News!

Brian and I are happy to share an answered prayer and announce that we are expecting a baby girl this Spring! Baby girl is healthy and is developing on track. We are beyond excited to become parents and see how God is going to use our growing family!

My pregnancy has gone very well. The first trimester was difficult with a lot of nausea and exhaustion. The peak of both unfortunately seemed to hit in September during a very busy stretch of retreats, which made for a difficult few weeks. I am enjoying the second trimester much more :)

We have enjoyed tracking the size of baby and imagining what she will be like. Only 4 months until we meet her!

Our Ministry at LLBC

You may be wondering what our future at LLBC will look like now that our family is growing. While we are not entirely sure, we feel as though the Lord is leading us to continue at Lake Lundgren for the foreseeable future.

That being said, now that our family is changing, our financial situation is too. For the last few years, we have raised the minimum required amount of support for LLBC missionary staff members. With a baby on the way, the minimum financial support is no longer sustainable. Not only do we now have extra costs, but we also see the need to purchase a home within the next couple of years that will better fit our growing family. Would you prayerfully consider partnering with us in this ministry? Your support would allow us to serve, love, and share the hope of Jesus to everyone who comes here. Every conversation, act of service, and life touched is something you are a part of too! If God were to guide you to be a part of this ministry, please consider a one time donation or one of the monthly commitments below:

- 1 person to commit to \$300 monthly
- 1 person to commit to \$200 monthly
- 2 people to commit to \$150 monthly
