Kuntze Ministry Update

SERVING AT LAKE LUNDGREN BIBLE CAMP

2025 HAS FLOWN BY...

Since Christmas, around 1,882 people have visited Lake Lundgren Bible Camp through retreats, volunteering, and community events—a wonderful opportunity to share the gospel! If you were at camp this winter, you may have seen me behind the camera, giving announcements, connecting with volunteers, or helping with activities. One thing I love about this time of year is that many adults who “grew up coming to camp” return for retreats years later. I’m grateful for how God has used LLBC since 1935, and I feel so blessed to play a part in His work here.

SUMMER IS RIGHT AROUND THE CORNER

Summer—our busiest season—is almost here! This year’s theme is “Case Closed: Investigating the Evidence of Christ,” based on John 14:11. With an old-time detective theme, we will be diving into the investigative process, ultimately emphasizing the importance of seeking the truth that is found in Christ and learning how to know the truth so you can spot the lies that our culture would tempt us to believe. Please pray for the 1,700+ campers joining us—that they would grow in their faith and trust the Lord more deeply. I trust that the Lord will work powerfully here this summer!

WHO WE ARE

Hi! My name is Haley Kuntze. I am on Missionary Staff at Lake Lundgren Bible Camp in Pembine, WI. As a Program Coordinator, I work on general program planning and oversee Women’s Ministry, Social Media, Camp Store, Discipleship Camps, etc. My husband, Brian, is an electrical apprentice in the Marinette/Menominee area. Though he isn’t employed by camp, he serves with me to accomplish LLBC’s mission: “Lake Lundgren Bible Camp exists to glorify God by continually connecting all to Jesus.”

PERSONAL UPDATES

This Winter has been very busy for us. Brian was required to work overtime for a couple of months because of a job deadline. He was working 10 hour days- 6 days a week. Plus a 2.5 round trip drive to work and back home. On top of that we juggled camp retreats, Bible studies, and youth group. That was a difficult time, but thankfully in March, Brian's work returned back to mostly normal hours. In April we decided to take a road trip to celebrate 2 years of marriage and spend intentional time together after a busy winter. We visited the Grand Canyon and surrounding areas— an unforgettable, once-in-a-lifetime trip!

At the end of this year, Brian will be eligible to take the licensure test for his electrical apprenticeship. We are thinking and praying about what the next steps could look like after that point— please join us in seeking God's guidance for the future.

SUPPORT

At this point in 2025, we've reached 25% of our annual financial support goal. As we consider what our future looks like, we are seeing the need for increase in our monthly support. All donations designated with my name go directly toward my paycheck, which is fully funded by supporters like you. This model helps keep camp costs low, making it possible for families of all income levels to hear the Gospel. Our mission is to connect all people who come to LLBC to Jesus- that they may know Him as Savior and King. Would you prayerfully consider partnering in this mission through prayer and/or financial gifts? To give, go to [LLBC.org/staff/haley-brian-kuntze/](https://llbc.org/staff/haley-brian-kuntze/). If you prefer to send a check, please make all checks payable to Lake Lundgren Bible Camp, with a note designating my name. Thank you.
