Summer and Fall at Lake Lundgren

Jake, Mandy, Eli, Liam, and Malachi

This summer and fall at camp have been so incredible! Thank you so much for taking the time to read this letter, to pray for us, and even financially support this ministry.

Summer was an exciting, high intensity, 10 weeks of ministry to campers and our summer staff. One of my roles here is to minister to our team of nearly 50 college aged summer staff (SSTers) who are here to counsel, lead program areas, lifeguard, and more. Getting to know each of them was such a joy. Two of our SSTers were students of mine during my time as the youth pastor: Colin Gosse, who served as the Adventure Trip Assistant, and Oli Brouwer, who served as the Assistant Program Director (both pictured above). I have known these men since they were both in middle school and to see 8 years of ministry to them culminate with them serving so well in leadership positions this summer was, by no exaggeration, the greatest blessing I've experienced in over a decade of ministry. I am so proud of these two men. Praise God that I got to witness their faithfulness this summer!

Fall was filled with many weekend retreats, guest groups, volunteer work crews, and the start of a new batch of interns! As the head of the internship program at camp, I had the pleasure to interview, hire, and onboard a group of 5 interns. We started the internship with a 4-day canoe trip on the Flambeau River, which was a fantastic time to bond and spiritually prepare for our year together. Now, our interns serve in each area of camp and are working through a curriculum of fantastic books each week at the intern class I lead.

Using Every Gift

One of the most satisfying parts of ministry over the last six months has been the opportunity to use a variety of my talents and passions to serve camp. Speaking, leading worship, and ministering to our SSTers and interns has been incredible, but I've also had the opportunity to use other skills I've gained over the years: laser engraving for the camp store, blacksmithing for a demonstration at homeschool day, and making lattes for guests and group leaders. It is humbling to see how God has been preparing me for this ministry for my entire life.

"As each has received a gift, use it to serve one another, as good stewards of God's varied grace." 1 Peter 4:10

My ministry at LLBC is only possible through the generous giving of others. Full time staff at Lake Lundgren Bible Camp are missionary staff, meaning our salaries are not paid out of camp fees and other camp income, but rather by a team of friends and family who generously give to Lake Lundgren Bible Camp on a monthly, quarterly, or annual basis. This allows us to keep prices low for campers and to properly staff LLBC for the highest impact possible. Mandy and I would be honored to have you join our support team!

Thank you so much for all that you have done and will continue to do to support my family and me. We are happy to be home here at Lake Lundgren. As of January 1st I will have completed my first year at camp. Praise the Lord!
