What makes Teen Weeks Unique?

Since the campers are older, the activities are taken up a notch. Campers will have the option of participating in a variety of unique tournaments and activities that are unavailable to younger campers. The speakers are age-appropriate, and seek to challenge teens in their faith. Particularly, there is an emphasis on how to prepare for the transition beyond high school.

For the Teen weeks, we run seminars on one afternoon for the campers to be able to go a little deeper. We also have special topics that are relevant to that age group, and occasionally extended worship times.

General Q&A's

"Why are campers asked to leave cell phones, ipods, and other electronics at home?"

We have found there to be a HUGE benefit when kids "unplug". They are able to see and hear from God without distractions.

"What is the staff to camper ratio?"

We maintain a 1-3 camper ratio. This includes 2 counseling staff in each cabin.

"Is there a discount for multiple kids?"

No... but if cost is an issue, please apply for a partial scholarship.

"How do you handle food allergies?"

Our head cook is very accommodating of food issues. Call camp if you have concerns.

"How can I contact my child in the event of an emergency situation?"

Call camp at 715-324-5457. If after normal office hours use our on-call emergency number: 715-548-1153.
