

SUMMER STAFF TEAM

What is SST?

Summer Staff Team members are “college aged” paid staff who work the duration of the summer programming. About 40 SST members are usually hired each summer.

If you have any questions about SST, please email jack@llbc.org or call 715-324-5457 and ask for Jack.

SST Requirements:

- 18+ years old or high school graduate
- Follower of Jesus Christ
- Agree with our Statement of Faith & Creed
- Be a Godly example in ministry to young people
- Accept responsibility & submit to authority
- Be healthy & capable of hard work

What does an SST'er do?

You will be a part of our core group of staff and attend staff training to prepare you for 9 weeks of youth ministry. You will use your gifts to serve hundreds of campers through our summer camping ministry! Throughout the summer you will mainly be counseling, but in reality you'll probably do a little of everything. This could include:

Craft Instructor, Worship Team, Activity Staff, Custodian, Kitchen Cook, Dishcrew, Office Assistant, Adventure Trip Assistant, Lifeguard (if currently certified), and more!

Salary & Support Raising

You will be paid a stipend of \$100/week for the 10 weeks served in the summer. You will need to raise an additional \$1,100 to \$4,500, with the goal being at least \$1,500.

If that sounds intimidating, don't stress out...friends, family, churches, and neighbors are usually more willing to support you than you'd think. We provide resources to help you out & make it manageable.
