WELCOME TO MY UPDATE LETTER!

To those who don't know me, my name is Hannah. I'm an intern here at Lake Lundgren Bible Camp!

As an Intern I do a variety of different tasks ranging from running archery, cleaning bathrooms, taking photos, and anything in between.

However, my primary role is helping Josh (Head Cook and Food Service Director) in the kitchen as the Assistant Head Cook. This includes: prepping food on week days, putting together new cookbooks, leading the dish-room orientation, as well as running the kitchen on some weekends.

Some of these are tasks that I am very familiar with from my time working in the kitchen all summer, and some of them are new responsibilities that came with the start of the internship, namely: running the kitchen myself!

I have enjoyed the challenge these new responsibilities offer and look forward to continuing to learn more as the year goes on.

My work here has been very fulfilling and enjoyable. I have loved being able to see God work in the lives of those around me, and in myself. I want to say thank you to all those who have already supported me and therefore enabled me to serve God in this way. With your support I have been able to work here and help provide meals for over 1,700 campers and staff which allows them to focus on their relationship with Jesus and on what God is teaching them.

For those who don't know, our paychecks are made possible by financial donors. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel! By your generous donations, you make it possible for us to do the work God has called us to at LLBC.

Currently I have raised almost \$3,000 for the internship, which is about 20% of my goal of \$15,000 by the end of next summer. It's a small start, but God has been faithful in providing and I'm trusting that He will continue to provide for me.

If you would prayerfully consider supporting me financially, I would greatly appreciate it!

Thanks once again to all who have already supported me!!

Prayer Requests:

- Pray that I can find rest in God after this fast-paced and work heavy summer; to prepare myself for the next year as an intern
- Pray that I will have peace in the transition from SST to the internship

With Love in Christ,

*Hannah
Cunningham*
