

## Summer (continued) and Fall:

Another highlight from the summer was taking campers on afternoon Adventure Experiences like paddle boarding, canoeing, and white water rafting on the Menominee River. Tim also spent time adding a few new jump trails to our mountain bike trail system, with the idea of creating a place where campers can progress in their riding skills. Leading several 2-mile fun runs through the woods for Family Campers was a very exciting event, and it has become a tradition for our five weekends of Fall Fest as well.

This Fall, Camp was able to host two Cross Country Meets for our local school district - one of them being the Conference Championship. We love that Camp can be used as a place to minister to all ages!

## Family Update:

Our most exciting update is that baby #5 is due in March 2025! We are beyond excited to meet her! Please pray for a healthy pregnancy and delivery. We are once again dealing with placenta issues, but as long as I move slowly and take it easy, things are great!

Our four other kiddos are excited about the Winter season and cannot wait to celebrate Christmas with their large posse of Lawrence cousins!

Homeschooling and Classical Conversations are going so well - and we can't say enough about the amazing people that we get to do life with every week!

Olivia loves playing with her dolls, drawing, and rollerblading. Jackson adores Legos, robots, and reading. Jett is wishing he was 4 years old already to join the "big kids" in their classes at church and CC, but until then he works on PreK books every day to get ready - he is hilarious! He loves drumming, music, and playing with Tru. Truett is 1 1/2 now. He is a very active, smiley, and funny baby. He pretends that our cabinet full of canned food is his office and he rearranges it often....he also likes to hide our remotes and his snacks in there! He recently got a haircut and looks exactly like baby Tim. :)

Tim competed in 2 Ultra Distance races this year! The first was a 50k trail run in April, and a 60k Mountain Bike race in August. Both were very challenging!

Thank you for your love and support!!! We are so grateful for each of you! We look forward to what God has in store for LLBC this year!

December 2024 Update

# the Lawrences

at Lake Lundgren  
Bible Camp  
Pembine, WI

Hello friends and family,

Merry Christmas from the northwoods Lawrences! The Summer months and Fall seemed to fly by so quickly that we are shocked at how long it's been since we last updated you!

## Summer Recap

This summer, over 1600 campers came through Lake Lundgren's doors and each one heard the Gospel. 65 campers accepted Christ, 180 recommitted their lives, and 129 felt lead to become involved in missions. It was a wonderful summer season for not only them, but our little family. We spent nearly every day interacting with the Summer Staff, volunteers, and friends. Our children love being "Camp Kids"!

Before Summer began, Tim spent most of the Spring months overhauling Camp's ranges. He moved, re-arranged, and extended the Archery, Riflery, and Tomahawk ranges. The goal was to make them easier to run while accomodating larger groups, and have room for future improvements.

The ranges ran very well all Summer and it gave Tim the ability to focus on other things, like being involved with the Jr High Boys Discipleship Camp called "Shoots". His most memorable adventure with the boys and other leaders was climbing Hogsback Mountain in Marquette, MI.

The hike up was rugged, and the view was amazing! Campers were encouraged to bring their Bibles along, and upon reaching the top, to pause and have a quiet time with God. They also visited Presque Isle and went cliff jumping into the frigid water of Lake Superior.

The closing ceremony of Shoots is also a special time for all, when each boy is prayed over by the leaders as he describes what kind of man he would like to be someday!
