## UPDATE LETTER

January 2026

And my God will meet all your needs according to the riches of his glory in Christ Jesus. To our God and Father be glory for ever and ever. Amen.

Philippians 4:19-20

The summer at Lake Lundgren was filled with campers, families, and staff for a full 11 weeks! Many first time decisions to follow Christ happened over the course of the summer. Many rededications happened in people's lives as well.

Lake Lundgren Bible Camp exists to glorify God by continually connecting all to Jesus - and that is accomplished on a day to day basis no matter the season. This winter, Camp is celebrating 90 years of ministry and giving honor and glory to God for all he has done over those years! What a joy, honor, and humbling experience to be a part of this ministry for over a quarter of its legacy. To God be the glory!

The summer Adventure Trips went well! Before the kids began their trips, the Canada Fishing Trip took place in early June. The fishing was great, but the fellowship alongside friends was exceptional. The Jr. High Boys Backpacking Trip and Jr. High Girls Backpacking Trip both took place at the beautiful location of Pictured Rocks National Lakeshore. Its usually exciting to take groups of junior high students in the wilderness for numerous days. The Flambeau River provided a beautiful backdrop for a weeklong canoe trip with high schoolers. The weather was exciting this trip (tornado warnings), and God protected us. A two week long backpacking trip to the Rocky Mountains - Beartooth Wilderness - closed out the summer trips. Jamie is looking forward to the Men's Winter Camping Trip in the Upper Peninsula of Michigan.

Laura co-hosted the Ladies' Camping Trip on the Menominee River in October. She enjoyed a relaxing and refreshing weekend reflecting on God as our Shepherd. She is in the middle of her fifth year of coaching the high school girls basketball team. She has loved pouring into the student/athletes and is greatly encouraged by the growth each season. Over the summer months, she continued some of her her part-time secretary responsibilities at the public school in Pembine.

### Praises & Prayers

- Praise God for his faithfulness of continuing the ministry here at Lake Lundgren for 90 years by supplying a dedicated staff and hundreds of volunteers to serve year after year.
- Praise God for providing faithful financial and prayer support for our ministry at Lake Lundgren.
- Pray for continued wisdom and planning as camp begins a Master Plan for upgrades and changes to camp for the next 20-25 years.
- Pray for our church as we are seeking a full-time pastor. Jamie is on the Transition Team. Pray for our future Pastor as well.

Kevin is back in the area from his time in PA. He met great friends while he was there and appreciated reconnecting with schoolmates. He is employed by Midway Rental and Sales. He is learning about

creating quotes, following through with customers, and experiencing the overall tasks of business operations.

Rebekah completed her third semester at Michigan Tech in Houghton, MI. She continues to be active in her church and InterVarsity Christian Fellowship. She accepted a summer internship with Coleman Engineering

(Iron Mountain, MI, location). She is looking forward to experiencing some areas of Civil Engineering.

Tim is in his junior year of high school. He has is thankful that Kevin is back!. He ran varsity cross country and is playing basketball again. Tim is usually busy helping with projects around the house or

is trying new tasks by building and experimenting with new things.

WITH LOVE, Jamie, Laura, Kevin, Rebekah and Timothy

Flambeau River Canoe Trip

God continues to bless us with his love and faithfulness to our family as we continue to minister at Lake Lundgren Bible Camp. We praise God for providing for us in multiple ways! Our financial support is approximately \$6,000 below our goal for the year 2025. Would you you prayerfully consider joining our support team? Thank you for partnering with us over these past twenty-five years! We are blessed!

Together to cheer on Tim at a cross country meet.

Our paychecks are made possible by financial donors. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel!
