

May 2026 Kozarovich Post

Camp Life

What an exciting and busy winter season it has been! The maintenance department has been short on manpower for some time now, but the projects continue to pile up. One project we were able to complete was repainting the interior of a staff housing unit to house one of our staff families.

Another major project we just mostly finished is rebuilding the deck of the dining hall. While this project has been stressful, especially with the time constraint of it needing completed by summer, it has also been an awesome chance to see the power of God! He has provided **over 350 volunteer man hours** to help get this project accomplished in time for summer! We are so grateful for recurrent volunteers who have served with us faithfully before, and also some new volunteers that we have gotten to know and build relationships with.

The Lord has also provided more permanent help to our team with a new maintenance tech starting this summer! Some other interests have been shown in the position, so we are praying our needs will be met soon with a larger maintenance team to share the load of these projects/needs to keep camp running smoothly.

Our team covets much prayer as we head into summer with a lot to do to get camp ready for all the kids this summer.

One exciting general camp update is that we celebrated 90 years as a camp ministry! We had a huge celebration (which I was able to be a part of), and everyone who had been influenced by camp attended. It was so great getting together as a camp family to be reminded of WHY we do what we do - day in and day out.

Last, but not least, I was able to go to Guatemala again at the end of March for a week. It was my 3rd year in a row attending this mission trip with my church, and each year I am so blessed to experience what God is doing. I am so grateful for the opportunity I have to serve in ministry locally, and abroad once a year as it gives a unique perspective that grows my passion for missions each year.

LLBC 90th Reunion

Dining Hall Deck Project

Guatemala - March 2026

Family Life

We have had quite the busy winter season since our last update letter!

As the boys get older, they get busier and have bigger ideas - constantly keeping Julie on her toes.

Azariah is finishing up Kindergarten, and Judson is finishing up 4K. They have had a wonderful year and have grown so much in personality and learning.

January and February were pretty mundane, which gave us a chance to reset after the busy holiday season.

The month of March came in packed with many activities for our family! Dan and Julie were able to attend the regional camp conference (which Lake Lundgren attends every year). This was the first year that Julie was able to go along, thanks to our sweet friends for watching the boys for a few days.

It was a really great time for us to get to bond with our camp staff in a different atmosphere!

In the middle of March, we experienced a record snow-storm bringing in 3 feet of snow for our area! It was a crazy experience and the boys had a blast. It also left a lot of cleanup for Dan at camp and around our house.

At the end of March, Julie held down the fort while Dan went to Guatemala on his mission trip with our church!

As the kids are finishing up school, Julie and the boys are gearing up and anticipating summer with all the fun activities! We haven't quite figured out our summer plans yet, but we appreciate prayers as we figure out how to best use our time wisely.

In our last newsletter - we conveyed our financial support needs for the year 2025. We are SO happy to report that God met that need through our faithful supporters.

We truly cannot THANK YOU enough for your faithful prayers and support in this ministry!

If God is leading you to support us in this ministry, you can mail in the enclosed slip with a check, or give online at llbc.org>scroll down to "Staff">You can then click on our name to designate your donation towards our salary

*We give God all the Glory for what He has done!
