

Mail from the Meissners

The Meissner Family at Lake Lundgren Bible Camp

Thank you for being a part of our ministry at Lake Lundgren Bible Camp! We moved to L.L.B.C. in May of 2005. Troy served as the kitchen coordinator for 15 years and has been camp director for the last six years. Our family has grown and so has camp. On the opening day of registration for summer camp this January, we had over 1,500 people sign up. Since then, most of the camps have filled and our current number is 1,847 for this summer.

During the winter season, we hosted ten guest groups, six retreats and an adventure trip for some men who like to camp in the snow. We celebrated camp's 90th anniversary in February at a church in Green Bay. Over 400 people attended the event. It was an enjoyable reunion full of laughter and fun in which we reminisced about the history of camp. The rest of our spring has been spent preparing for this summer and the future growth of camp.

Spring 2026

Troy & Megan Meissner

Prayer Requests

- Summer ministry
- Future planning for camp
- Travel details for trip to Brazil
- Balancing work and home life

Praises & Thanks

- Our first granddaughter due in September
- A full summer staff team
- A new pastor at our church

Support Update

As the director, I receive a salary and supplement my income by raising financial support through partners like you. We are grateful for all our faithful supporters. Our support has been sufficient to cover our needs.

Troy and Megan enjoyed the CCCA conference in Lake Geneva, WI in March. Gathering with our staff and other camp people from the region for worship and encouragement is always a highlight of our spring.

Elena and Will are doing well at the boarding school in Brazil. We have video chats several days each week and enjoy seeing Eddie as he learns to walk and talk. He is quite a dancer too! They are expecting a baby girl in September. We recently received our passports so that we can go see them when the new baby arrives.

At home, we finished another school year (10th, 8th, 6th, 4th, and 2nd grades)! The girls were involved with choirs, handbells, forensics, babysitting and dog walking. The boys played basketball and spent lots of time outdoors. The kids like to serve others and spend time at camp. Rachel and Caleb went on a mission trip to North Carolina to help with disaster relief after storms and flooding destroyed peoples' homes. Caleb is working in Quinnesec, Michigan at a paper mill and fixing up his bus. He has been living in the skoolie since February. What an adventure! He even installed a tiny woodstove to keep it warm.

We have been genuinely amazed to see the many ways that God is providing for us and for Lake Lundgren. It is our delight to follow Him and serve Him and those who come to camp.

Trust in the Lord with all your heart and lean not on your own understanding, in all your ways acknowledge Him and He will make your paths straight. Proverbs 3:5-6

Troy and Megan
